"The TBI video turned out really well and the team worked hard to share TBI survivor stories in a respectful, helpful way while communicating the messages that we wanted to spread. We asked a lot of them and they delivered!" – Melina Danko, Communications Officer, Center for Excellence in Disabilities (CED)

"I cannot thank you enough for all your hard work and professionalism. You were such a huge help to me and the entire Walk the Talk team". – Amy Hostetler, Hoss Foundation

"With their help, we were able to better serve our park visitors this spring, and for the future, by direct surveying our visitors. Surveys information collected data on what park events and activities they enjoy at the park, and what they would like to see in the future. The class also helped us expand our social media footprint to increase awareness of the event and activities happening at the park all year long" – J.R. Petsko, Superintendent, Mason-Dixon Historical Park
