**Federal Work-Study for Community Partners**

**What is it?**
- The FWS program offers federally funded, need-based aid to qualifying students in the form of part-time jobs.

**How do I begin?**
- Sign a FWS agreement, complete a job request, review resumes and applications, and choose a candidate!

**What is my role?**
- You’ll provide supervision and training, approve hours, and work to foster a great work environment.

**Employer Benefits**
- Gain extra help in your workplace
- Work-studies paid from federal funds

**Student Benefits**
- Earn money to help with college costs
- Gain valuable first-hand job experience

**Quick Facts**
- Work-studies tend to earn better grades than other students.
- Off-campus workers receive higher pay.
- The program supports remote work when possible throughout the COVID-19 pandemic.
- Supervisors enjoy a mutually beneficial partnership with the University.
